## Donegal Centre for Independent Living (DCIL)

Established in 1999.

Our aim is to support and empower disabled people in Donegal to achieve Independent Living, and to actively participate as equal citizens in society by having choice and control over their own lives. DCIL opened its New Premises and Training Centre in July 2014, providing an administrative base for our services and also a fully accessible Training/Meeting venue that provides for an extensive range of uses to the local community.

### DCIL's main supports

- Personal Assistance Service
- DSP Community Employment
- Direct Payments
- Disability and Development Education
- Disability Awareness in Schools

### DCIL's Training

- HETAC Level 7 in Disability Studies
- Independent Living Workshops
- People, Moving and Handling
- First Aid
